HOW TO APPLY

• Find research opportunities at USAMRICD that match your interests by exploring the NRC Web site: www.national-academies.org/rap

• Contact prospective USAMRICD Research Adviser(s) to discuss your interests. Information can be found on the Web site.

• Apply online using the WebRap electronic application system.

• Applications for awards at USAMRICD must be submitted electronically by the following deadlines: February 1, May 1, August 1, and November 1.

• Submit supporting documents, including transcripts and letters of reference by mail to

National Research Council Fellowship Programs Office Associateship Programs 500 Fifth Street, NW, Keck 568 Washington, DC 20001

E-Mail: rap@nas.edu Internet: www.national-academies.org/rap
National Research Council Research opportunities are available at the USAMRICD in the following areas:

- Analytical Chemistry
- Pharmacology
  - Pharmacokinetics
  - Neuropharmacology
  - Behavioral Pharmacology
- Toxicology
  - Neurotoxicology
  - Dermal Toxicology
  - Pulmonary Toxicology
  - Ocular Toxicology
  - Behavioral Toxicology
- Genomic and Proteomic
  - Toxicogenomics
  - Affymetrix™ GeneChip™ system
  - Mass Spectrometry
- Pathology
  - Histochemistry
  - Immunohistochemistry
  - Molecular Pathology
- Microscopy
  - Light and Fluorescent Microscopy
  - Electron Microscopy
  - Confocal Microscopy
  - Multi-Photon Microscopy
- Cell Biology
  - Cell Culture
  - Flow Cytometry
- Physiology
  - Electrophysiology
  - Pulmonary Physiology
  - Neurophysiology

The USAMRICD’s Research Associateship Program prepares postdoctoral scientists for the future. The Program offers relocation, an attractive stipend, health insurance and a travel allowance. Fellowship recipients are able to advance their careers by conducting full-time research at a top research facility, while contributing to the important mission of USAMRICD.
